## | MATYAJ INTRODUCTION

Matyaj is a company that is committed to make the world environment friendly and environmentally sustainable. We strongly support for all environment friendly activities and in finding new ways to we can help to make it more green, clean, and safer place for life. We pride ourselves on our prompt, friendly and honest services.

## MISION

Matyaj has a mission to promote eco-friendly products and activities from root level of the society. We are committed to shift the behaviour and attitude of society from destruction to conservation of Mother Nature, and creating a better world.

## VISION

We are proud to be a company that engaged in and also promote eco-friendly business practices. Spreading eco green culture and protection of environment is given at every stage of Matyaj. Our green vision is not up to delivering environmentally sustainable products only, but to adopt nature friendly culture at core level, is the vision of Matyaj.
